

GREAT NEWS FOR BEACH HUT OWNERS

No more rusted, seized or insecure locks

CORROSION RESISTANT

MAINTENANCE FREE

VANDAL RESISTANT

Thousands of beach hut owners face this problem every year, but now there is a solution.

Just released on the market is the answer - a new lock called **NEULOCK** with endorsement from the **National Association of Beach Hut Owners (N.A.B.H.O.)**.

It's that simple, by fitting the new, modern and unique **NEULOCK** or **NEULOCK-BOLT** all these problems become a thing of the past.

Both tested and approved products are made from weather resistant stainless steel and with a five year guarantee - will give trouble free security for years.

Now is the time to make the move into the future and fit a NEULOCK of your choice.

Fit a **NEULOCK** at home to sheds, gates and garages or anywhere a padlock/hasp and staple or lockable bolt is fitted reducing thieves removing them using levers or bolt cutters.

Replace those bolts on your back gate with a **NEULOCK-BOLT**, so once locked - they can only be opened by you with a key and not by a thief simply sliding it open.

Dear *Beach Hut owner,*

We are writing to introduce you to the National Association of Beach Hut Owners (NABHO), and to give you the hutterly exciting news that, for the first time ever, the UK now has its own national association dedicated to the total enjoyment of our quaint and eccentric British pleasure, the beach hut.

Why NABHO?

Although there are various local beach hut owners' associations, many owners don't live in areas where these organisations are active.

And, until now, there hasn't been one body to co-ordinate the activities of these individual agencies nationally, or to act as an umbrella association for local councils with responsibility for beach huts to swap ideas on getting the most out of beach hut ownership.

That's why we have formed NABHO to fill that vacuum.

We promise to provide guidance and advice on all aspects of beach hut ownership, for example, insurance, legal problems and maintenance. In short, we have been set up to help you, some of the 20,000 plus beach hut owners and tenants (and growing) in the UK.

Membership of NABHO gives you the following exclusive benefits:

- Official free members-only annual magazine
- Exclusive members' section on the NABHO website (www.nabho.org.uk) including a discussion forum for members to exchange experiences, ideas and information. Plus the very latest deals and offers, exclusive to NABHO members
- Member representation and negotiation with authorities
- Legal advice and assistance
- Discounted insurance premiums
- Security advice including physical security, vandal proofing and hut watch schemes
- Health and Safety guidance
- Letting and trading of huts through NABHO, via the official web site and magazine
- Technical information and maintenance advice, including approved list of local council-approved tradespeople

- Quarterly newsletter – the latest news and views + updates on equipment and services and much, much more
- Membership privilege card for discounts and special offers for services and attractions including...

Places to go and things to do:

- Local events and attractions, sailing and water sports clubs
- Riding schools, golf clubs, theme parks, museums and theatres
- Cinemas, tourist organisations and attractions
- Arts organisations, pubs, restaurants and hotels
- Lifestyle: special offers for members to complement and reflect their lifestyle

All this and more to come... and with the annual membership at only £15.95 you'll be hutterly satisfied!

Interested? Then joining NABHO couldn't be easier - just call us on **01379-870761** or e-mail **secretary@nabho.org.uk**

We are pleased to announce that, NABHO has officially endorsed the wonderful new security product **NEULOCK**. We consider this lock a must for all hut owners. Break-ins and vandalism has always been a concern for us hutters and the **NEULOCK** represents a cost effective and highly efficient means of protecting our castle by the sea. NABHO have agreed a special discount with **www.securelocksLtd.com** for all hut owners and are able to offer this great product at a **20% discount** against the recommended retail price of £39.95 for the **NEULOCK** and £44.95 for the **NEULOCK-BOLT**. You can have them for £31.96 and £35.96 respectively!

Make your hut secure-call 01379-870761 for details or call the number on the back of this page. But don't forget to quote NABHO to get your discount.

Welcome to NABHO – and welcome to a new chapter in the enjoyment of your beach hut!
